Independent Trustee Services Ltd strengthen team with appointment of new Director

Independent Trustee Services Limited (ITS) is delighted to announce the appointment of Martine Trouard-Riolle as a Director of ITS. Martine started her career as an insolvency lawyer, qualifying as an insolvency practitioner, before joining the Pensions Regulator where she was Head of Corporate Risk Management with responsibility for the clearance and anti-avoidance teams.

Martine joined the Trustee of the Year award winning business on 5th September 2011.

Chris Martin, Managing Director ITS says "Martine's legal and regulatory background, along with her extensive transactional experience will further strengthen the experience within the ITS team and will enhance the service we provide to schemes where we act as professional trustee. Martine's appointment is a further recognition of the increasing demand for experienced professional trusteeship at a time when many schemes are facing difficult decisions in an ever increasing regulatory environment. Martine's experience will add to the existing skills with ITS and will help both ongoing schemes as well as those going through a period of change and re-organisation.

Martine says "I am very excited to be joining this growing and dynamic team. ITS has a first class reputation for delivering excellence in trusteeship in an increasingly complex environment and I am looking forward to using my experience for the benefit of the growing number of schemes within ITS."
