Independent Trustee Services hires new Client Director in Leeds

**** February 2015:** Independent Trustee Services Ltd (ITS) is pleased to announce the appointment of Dianne Day as a Client Director from 2 February 2015. Day, who will be based in Leeds, has a strong background in investment management and defined contribution trusteeship gained with some of Australia's largest financial institutions. She will be leading trustee appointments for ITS.

Dianne Day said "ITS has a very impressive track record and I am looking forward to helping this well-regarded and successful team go from strength to strength".

Managing Director of ITS, Chris Martin, said "Our corporate professional approach to trusteeship, which we have developed over the last 20 years, has served our clients extremely well. We believe it will continue to distinguish ITS in the professional trustee market in the future."

"We are determined to continue developing and evolving our business and to continue leading a changing market place. To enable us to further evolve our corporate trustee model and to meet increasing demand for our services, we have decided to expand our business by introducing a small number of Client Directors who will concentrate solely on servicing clients."

Martin continued "Dianne will be our first Client Director. She has an impressive CV and we are delighted that someone of her calibre has chosen to join ITS. As demand for our services continues to grow, Dianne is the first of a series of appointments that we are expecting to make around the country."
